These are just a few ideas of how to make the whole-class correction of homework less of a chore and more of an active challenge. The suggestions given are specifically geared to be used when correcting exercises set from a workbook or worksheet as homework but some ideas may also be used when giving feedback for tasks set in class. XtraMath XtraMath® helps students transition from counting or calculating the basic math facts to recalling them. Quickly recalling math facts, instead of calculating them, frees up mental resources for higher-level operations. XtraMath's timed activities encourage students to answer questions as quickly as possible. LEARN NC has been archived - soe.unc.edu LEARN NC has been archived.
