This is a Reading Book for those who want to improve their English. There are two things that, as an author, I have taken into account while writing: Letter case - Wikipedia Letter case (or just case) is the distinction between the letters that are in larger upper case (also uppercase, capital letters, capitals, caps, large letters, or more formally majuscule) and smaller lower case (also lowercase, small letters, or more formally minuscule) in the written representation of certain languages. The writing systems that distinguish between the upper and lower case ...
