Religious pluralism - Wikipedia Religious pluralism is an attitude or policy regarding the diversity of religious belief systems co-existing in society. It can indicate one or more of the following: As the name of the worldview according to which one's own religion is not held to be the sole and exclusive source of truth, and thus the acknowledgement that at least some truths and true values exist in other religions. University of Oxford - Wikipedia The University of Oxford is a collegiate research university in Oxford, England. There is evidence of teaching as early as 1096, making it the oldest university in the English-speaking world and the world's second-oldest university in continuous operation. It grew rapidly from 1167 when Henry II banned English students from attending the University of Paris. Professor Sophie Watson | OU people profiles City water. Water lies at the very heart of the interconnectedness and entanglements of humans with their environment and reveals, arguably more than any other substance, the impossibility of thinking of ourselves as separate from nature.
